Semi-Guided Ski Trip

Day 1 : Meet & Greet at Zurich Airport

Once you land in Zurich, one of My-Mountains representatives will welcome you and transfer with you via train to the charming village of Engelberg. We organise only one Meet and greet, therefore if you are travelling with friends or family, make sure everyone arrives at similar times. Alternatively, we will assist you with the best train connections to get to Engelberg. If you don't arrive at the same time, we can help you with booking alternative connections from Zurich to Engelberg.

In Engelberg, you can settle into your room, unpack and refresh. Then you'll have a detailed briefing on the trip's itinerary with your local guide. Feel free to ask any questions you may have. They will be happy to take any suggestions and last-minute changes, if necessary.

After the briefing, if time allows, you will enjoy a short walking tour of Engelberg. If needed, we will stop by a trusted ski rental to rent any equipment you may be missing.

Enjoy your delicious Swiss Dinner.

Overnight in Engelberg.

Meals included: Dinner

Day 2 & 3 : Engelberg

Today and tomorrow, you will enjoy skiing at the Engelberg Ski Area. On day 2, your first skiing day, you will be accompanied by a local ski instructor. They will meet you at the hotel at 9 a.m. and help you navigate the resort. They will be happy to show you great slopes away from the crowds and give suggestions for lunch spots.

In the afternoon, you can continue skiing or choose another activity.

On the third day, you'll have the chance to ski independently.

Days 4 : Engelberg and travel to Grindelwald

This morning you can still enjoy skiing, if you wish to do so.

Travel in comfort by train to Grindelwald via the scenic Brünig Pass on the Golden Line route. We suggest a connection leaving Engelberg at 4:02 p.m. and arriving at 7:38 p.m. in Grindelwald. Your Swiss Pass will give you flexibility to take earlier or later connections.

Enjoy your dinner in the Jungfrau Region.

Overnight in Grindelwald.

Day 5 & 6 : Grindelwald & Wengen – Jungfrau Region

Enjoy two full days in Grindelwald and the Jungfrau Region. The scenic trio of Jungfrau, Mönch, and Eiger will certainly leave you speechless. About 100 km/62 miles of perfectly groomed slopes are at your disposal across two main ski areas, Grindelwald and Wengen. This ski resort is suitable for all ski levels. Ski experts can enjoy an extra thrill on the Lauberhorn slopes.

You're welcome to combine skiing with other winter activities. We will be happy to provide some suggestions on winter activities, places to eat, drink and shop.
